Issue 8

October 27, 2018

What happened this week?

We began our Halloween fun! In the mystery box Mr. Tree was wearing his ghost costume. We discussed what is pretend and real, and that people are just wearing costumes on Halloween. Then on Thursday, it wasn't Mr. Tree in the ghost costume! It was his friend wearing a witch costume. She showed the friends a picture of what she looked like without her costume. She led us in a fun activity called "stinky stew".

We started making some spooky decorations for the forest. We made a jack-o-lantern and ghosts so far. We also made our trick or treat bags so we are ready for our Halloween party next week.

Everyone is so excited for Halloween!

Conferences

If you have opted to have a parent-teacher conference, please return your Conference Planning Guide that was sent home with your conference time. Since our meetings are brief, these forms will help guide our conversations so that our time addresses the issues most important to you. If you need a new one sent home, just let me know.

LRC this coming week LRC will be on Tuesday.

Please be sure to return your child's LRC book on time. It can be confusing and sad when a student is unable to take out a new book because they have not returned the previous one.

Comments?

Halloween!

AM parade: 10:45

PM parade: 2:20

Parties will be for staff and students.

I would love a volunteer from each class to provide a special Halloween snack for our party.

Please let me know if you are interested.

Reminder that if you would like to send in a "trick or treat" item, it needs to be non-edible

The AM class has 12 friends

The PM class has 10 friends.

Now that the weather is getting colder, please remember to label all your child's outerwear. We've already had some mix up and missing items.

Looking Ahead

We will be having spooky Halloween Fun!

Looking further ahead

Our next unit after Halloween will be food, and dramatic play will be turning into a grocery store.

To help stock our shelves, please save and send in empty food containers. You can send in any type of container, just be sure to thoroughly wash if needed.

You may begin to send in items next week.

Thank you!
