## What happened this week?

We had fun reading Pete the Cat and his Four Groovy Buttons! That Pete! He is so fun of surprises! This week he brought a whole bunch of buttons to school in his backpack. We had fun counting and sorting the buttons. We also played a color matching, dance game with the buttons at circle. Groups games are a lot of fun, but also help us learn to follow directions and follow the group plan.

On Friday, we had a Fun Friday sensory experience by putting the big colorful buttons in the shaving cream. At first some friends were a little hesitant to touch the shaving cream, but after watching friends having so much fun, eventually everyone gave it a try.

## LRC

We had our first trip to the LRC this past Wednesday. We had previously visited the LRC just to see where it was and meet Mrs. Friley, the LRC director. This time we learned where the reading rug is and how to sit quietly. Mrs. Friley read a story and then friends were able to pick a book from a selection placed on the tables.

I will be trying to schedule LRC for Wednesdays but there will be times that the day will change and I will let you know when that occurs.

**Due to the day off of school on Wednesday, we will be going to the LRC on Tuesday this coming week.**

Please be sure to return your child's book on or before Tuesday so that he/she will be able to take out a new book.

## Traveling Books

Look for our first traveling book to come home soon.

**Please be sure to return the book the next day** so that we can give everyone a chance to read the book. If you would like to read the book again, just let me know and I will send it back to you after everyone has had a chance.

## Looking Ahead

We finish up with our Pete the Cat welcome back to school unit.
